Commercial Property

Our Commercial Property Department has earned an enviable reputation in the Tees Valley marketplace thanks to our considerable experience in this field.

The Department's clients include commercial and residential developers, licensed trade operators, landlords holding multiple property portfolios and manufacturing businesses.

Our areas of expertise include:

- Commercial and residential property development
- Commercial letting (landlord and tenant)
- Acquisition and disposal of licensed premises
- Property sales and purchases
- Agricultural property transactions
- Corporate support (the property aspects of the sale and purchase of businesses)
- Construction
